USER'sguide

PREVIEWSworld.com

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS & MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is easy! There are **3** simple ways to order:

PREVIEWS
Lady Death

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:
International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.
Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.
Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Product will ship according to schedule;
1 = Product may ship an additional 60 days beyond scheduled ship date;
2 = Additional 90 days beyond scheduled ship date;
3 = Additional 120 days beyond scheduled ship date;
4 = Product may ship at any time beyond scheduled ship date.

***PREVIEWS* Abbreviations**
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

GIVING THANKS (YEAR SIXTEEN)

EDITOR'S note

Here it is, November once again, and Thanksgiving is right around the corner. Looks like its time once again for me to take stock and give thanks for another year here behind the Editor's desk at ***PREVIEWS***. I've been at this post for 16 years now, 23 years in all working on ***PREVIEWS***, and as always it's a been privilege and a blast. And of course, working with a great bunch of people, in an industry I love, makes it all the more easy. So, in addition to my continuing duties here as your host, I give you my random thanks for *other* stuff…

I am *thankful*… for the time to be able to walk away from my responsibilities for a few days and immerse myself in the nerd gathering extraordinaire that is the San Diego Comic Con!

I am *thankful*… as always for the ***PREVIEWS*** editorial and design teams, the most talented folks I've ever had the pleasure to work with!

I am *thankful*… for my West coast pals Chris, Andy, Jackie, Dwayne, Rob, Ross, Mike, J.R. and J.W.!

I am *thankful*… for my East coast pals Jeff, Tom, Dave, Rich, Mikey, Scott, Vince, and Michel!

I am *thankful*… for Zombies coming back to TV (again)!

I am *thankful*… that I have good friends who feed me turkey every year!

And most of all, I am thankful for you, our faithful readers. We try our best each month to bring you a few hundred pages of cool stuff, and maybe a few chuckles along the way. Hopefully we succeed each month, because it's all of you that make what we do here, worthwhile.

Wherever you may find yourself this month,
Happy Thanksgiving to you and all of yours!

Your Pilgrim Pal @ ***PREVIEWS***,

Marty

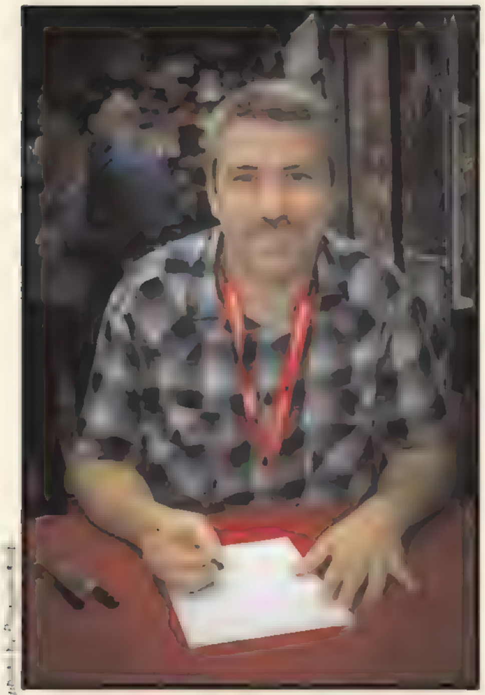
DAVID LAPHAM

Beginning his comics career as a freelance artist in 1990, David Lapham founded El Capitan Books in 1995 exclusively to publish his Eisner Award-winning crime comic book series, Stray Bullets. In recent years, he has worked as a writer for DC Comics, Marvel Comics, IDW Publishing, Dark Horse, and finally Avatar Press, on three Crossed projects (Family Values, Crossed 3D, and Psychopath), Caligula, and now Ferals.



Please tell us a little bit about yourself: what are your favorite projects you had an opportunity to contribute to over the past decade?

I've been doing this since 1991. I started at Valiant Comics where I got my chops. First as an artist then writing. In '94 My wife Maria and I started El Capitan Books to publish my creator-owned and most known work Stray Bullets. Since then I've worked at most every company in comics, including Avatar, where I've produced some very horrific comics—which is a good thing when you're doing horror comics. As far as favorite projects there have been so many, but I have to highlight the ones that are closest to me which are Stray Bullets; Young Liars, which I created, wrote, and drew for Vertigo; and an original I created for Avatar which I can't tell you the name of yet but it's is a twist on the noir, private detective genre, and I can't wait till we can announce it.

On other stuff I've had some great collaborations with artists. David Aja on Wolverine, Patrick Zircher on the first Terror Inc. series I did. (The good one.) And Leonardo Manco on Damaged. Among MANY others.

What comics are you reading: are there any books you are really excited about and enjoying right now?

Scalped I love. That's the one I look forward to. Great noir from Jason Aaron and R.M. Guera's such a damn genius. I hate that guy. Love and Rockets is always great and forever classic.

THE EVOLUTION OF FERALS

By David Lapham

So how about a book about werewolves, but done like we've never seen them before; done in a new way? Sure yeah. Sounds great. Wolves. Pages and pages of *"GRRRR"* and*" RAGRRRR!"* and *"AWOOOOOO"* and *"RUFF RUFF."* Throw in a little blood, a little sex. Sure, any monkey could write that. Might as well pay this monkey to do it.

Then along came Dale Chesnutt: Sheriff's deputy, foul-mouthed womanizer. After about the fifth "Goddamn" in six lines of dialogue, I was in love with this guy. And who are these Ferals? Silver bullets, changing with the moon like some wimpy furverts Incredible Hulk? Out with all that. Who are these Ferals? Who is Gerda? Man, she can get under your skin. Literally. Can I put Vikings in this book? How far can we take this?

Epic.

Ferals is a true ongoing. An ongoing that will inevitably end (a very long way off) because it will evolve. It will go places other books don't. Where is that? Better I should ask: why is my keyboard covered in blood?

Y'see, at Avatar I can "go there." That place where other companies ask for a rewrite. No rewrite. I don't have to film a scene with a vice and your brains just to distract you so I can keep the scene with the hatchet and your brains. Your brains can go anywhere I want. Yes sometimes holding back is more horrible than showing everything, but sometimes showing *absolutely everything* is more horrific even than that. And just the fact that I could means that even when I don't, you do it for me.

Is this my artist? Are you kidding me? This is an ongoing? Gabriel Andrade's pages are so perfect for an ongoing, he's a writer's dream. The characters and the environments are so real. His is the kind of art that sucks you into a world, into story, into nightmare.

So my easy wolf book turned into a very long, involved, deep, character driven, horror epic that can and will "go there" early and often. Strap in and get ready to:

"OOK!"

A NEW HERO SWINGS INTO ACTION IN *SCARLET SPIDER* #1

An infestation of genetically-modified bedbugs recently gave millions of New Yorkers spider-powers identical to Spider-Man's in this summer's "Spider-Island" storyline. But the cure of the Spider-Plague did not leave Peter Parker as the only person in the world with unique abilities! As readers will see in the aftermath of "Spider-Island" and the forthcoming *Point One* special, there is another with Peter's spider abilities — the Scarlet Spider – and he graduates to his own monthly series this January in *Scarlet Spider* #1!

But there was another who called himself the Scarlet Spider, a mysterious drifter who came to New York City because May Parker had suffered a stroke and was on the brink of death. Peter, protective of his beloved aunt, intercepted the stranger who had visited the hospitalized Aunt May, and he made the shocking discovery — the stranger was a clone of himself, with all of his memories and powers! The clone, who went by the name Ben Reilly — Ben after Uncle Ben, Reilly after Aunt May's maiden name — was long thought dead, but he had come back to New York. Before too long, he was battling crime in the streets of the city as the Scarlet Spider, until a fateful battle with the Green Goblin cost Reilly his life!

As readers will see in *Point One*, a new hero has arisen from the ashes of "Spider-Island," a hero who goes by the name of the Scarlet Spider. His costume may be different, the city he protects – Houston – may be far removed from Manhattan's concrete canyons, but the powers are the same – the proportionate strength and agility of a spider, with the ability to stick to any surface. Writer Christopher Yost and artist Ryan Stegman join forces to chronicle the adventures of the Marvel Universe's newest arachnid hero this January!

Who is this new hero under the mask? Where did his powers come from? Has Ben Reilly cheated death, or did the new Scarlet Spider avoid the cure to the Spider-Plague? And what drives him to battle the forces of corruption in Houston? The answers to all these secrets will be revealed as Yost and Stegman introduce a hero who has a legacy to live up to – and his own identity to forge. Join him this January as a new hero spins a web of his own in *Scarlet Spider* #1!

MORE UNIVERSES ARE THREATENED AS IDW SUFFERS ANOTHER *INFESTATION!*

Last year, a zombie plague spread through the worlds of *G.I. Joe*, the *Transformers*, *Star Trek*, and *Ghostbusters* in IDW Publishing's best-selling *Infestation* crossover. This winter, a different, more insidious evil threatens several universes, both familiar and unexpected, in *Infestation 2!*

The writings of H.P. Lovecraft revealed the unspeakable evils of the Old Ones, great tentacled creatures beyond human understanding. But what some thought of as fiction turns out to be devastatingly real, and reality itself is at risk! Throughout the Multiverse heroes will rise to battle the Lovecraftian horrors, and Duane Swierczynski (*Cable*) and David Messina (*Infestation*) chronicle its start in January's *Infestation 2 #1!*

Then the adventure continues weekly through April in the pages of *30 Days of Night*, *Dungeons & Dragons: Eberron*, *G.I. Joe*, *Teenage Mutant Ninja Turtles*, and *Transformers*, and involves the characters from *Danger Girl*, *Groom Lake*, and *Weekly World News! Infestation 2* is the crossover event that goes beyond time and space, and it all starts this January!

THE OLD REPUBLIC IS AFLAME WITH WAR IN DARK HORSE'S NEW *STAR WARS* SERIES

Thousands of years before the rise of Chancellor Palpatine and the fall of the Galactic Republic, peace in the galaxy was maintained by the noble order of Jedi Knights. These knights were renowned for their wisdom, their patience, their mastery of the ways of the Force, and for their prowess in battle, and for long years they vowed to uphold justice and keep the Republic safe from the threats within and without. BioWare took *Star Wars* fans into those days of yore with their best-selling *Star Wars: Knights of the Old Republic* games, and this January, Dark Horse offers readers the perfect gateway series into the earliest years of the *Knights of the Old Republic Star Wars* Epoch. *Knights of the Old Republic — War* provides a thrilling "jumping on point" into the wild days of a young republic.

John Jackson Miller and Andrew Mutti introduce readers to a new Jedi Knight, Zayne Carrick. As the galaxy is aflame with a war between the Republic and the Mandalorians, the Jedi have been ordered to stand on the sidelines. Carrick would prefer to follow the dictates of the Jedi Council, but soon he finds himself drawn into the conflict and trapped between the warring factions!

Whether you have played the *Star Wars: Knights of the Old Republic* games again or again or you're just discovering *Star Wars* comics, *Star Wars: Knights of the Old Republic: War* has all the action and excitement *Star Wars* fans expect from the franchise, and it all begins this January!

HORROR AND NOIR MIX IN ED BRUBAKER'S NEW IMAGE SERIES, *FATALE!*

Ed Brubaker has, over the last decade, developed the reputation as one of the top crime writers working in comics today, from his work on *Gotham Central* for DC Comics to *Criminal* for Marvel Comics' Icon imprint. This January, Brubaker reteams with his Criminal and Incognito partner Sean Phillips for a new noir crime comic, albeit one with a twist — *Fatale!*

A hard-luck reporter. A femme fatale. A mob boss. Secrets and lies and guns. These are the elements of classic film noir. But what if the femme fatale is an ageless beauty? And what if the mob boss is an immortal demon? And what if there are more than just mobsters with their tommy guns hiding in the shadows? What if there's a dark, scary, and unthinkable world just out of sight? Brubaker and Phillips break new crime comic ground with a dark tale with all the hallmarks of classic film noir and all the monsters and chills of psychological horror.

Fatale is something new, something dark, and something altogether unsettling. *Fatale* is a book that no fan of Brubaker and Phillips' work will want to miss. Otherwise, there just might be an immortal demon mob boss who will want to have words with you. In the dark.

UNLOCK THE MYSTERIES OF AN OLD MANSION WITH THE *LOCKE & KEY* CARD GAME

In the late 1980s, the live-action science fiction series *Captain Power and the Soldiers of the Future* let audiences interact with the television thanks to special toys. Featuring stories by Babylon 5 creator J. Michael Straczynski, *Captain Power* finally comes to DVD this January in a complete season box set, and you can relive the stories of Captain Power and his ragtag band of rebels as they attempt to retake the Earth from the machines that have subjugated humanity!

VENTURE INTO ARKHAM ASYLUM TO RETRIEVE THESE IMPRESSIVE *BATMAN* FIGURES

One of the best-reviewed and most acclaimed video games of the past few years was UbiSoft's *Batman: Arkham Asylum*. Based on the setting from DC Comics' *Batman* titles, *Batman: Arkham Asylum* put gamers in the role of the Dark Knight as he entered Gotham City's Arkham Asylum for the Criminally Insane to thwart the Joker's plan to overwhelm the city.

The characters of Batman and the Joker from the game are brought to life by the artists of Square Enix with two new figures in their *Play Arts ~Kai~* figure line. These large-scale figures are sculpted based on the CGI files used to create the characters in the game, plus they have multiple articulation points for a wide range of movement and additional parts for customization. The *Batman: Arkham Asylum — Batman Figure* stands 9 1/2" tall, while his arch-nemesis *The Joker* stands 8 5/8" tall. As created by Square Enix, these are some of the most detailed Batman action figures ever created, and no Bat-fan will want to miss them!

SWAMP THING EMERGES FROM THE MUCK AS A NEW MINI-BUST 136

Rising from the murk, DC Comics' plant elemental Swamp Thing makes his debut in DC Direct's *Heroes of the DC Universe* bust this coming January! Designed by Gary Frank and sculpted by Jean St. Jean, this shambling humanoid plant creature stands in a tensed posture as he is ready to attack those who would destroy his beloved flora. Standing 5 3/4" tall, the DC Direct *Heroes of the DC Universe Series 2: Swamp Thing Mini-Bust* demands to defend your statue collection!

THE ECTO-1 HITS THE STREETS AS A NEW HOT WHEELS DIE-CAST 358

Tooling around the Five Boroughs in search of signs of ectoplasm and ghostly apparitions, the Ghostbusters' Ecto-1 — a customized 1959 Cadillac Fleetwood — became a familiar sight on the streets of New York. As iconic as the proton packs and beige jumpsuits the Ghostbusters wore, the Ecto-1 drives out of the Ghostbusters films and into your collection with the new *Hot Wheels Elite: Ghostbusters Ecto-1 1/18-Scale Die-Cast*. Recreating the original vehicle perfectly, right down to the painted fins and the rubber tires, this Ecto-1 not only looks good on the shelf, but it might just keep the ghosts and goblins at bay!

THE ELEVENTH DOCTOR MAKES A HOUSE CALL WITH THIS NEW BUST 381

Matt Smith just finished his second season as the enigmatic Doctor on the BBC's it series *Doctor Who*, and Titan Merchandise's *Doctor Who: Matt Smith as the Eleventh Doctor Maxi-Bust* captures the essence of Smith's energetic performance. Available exclusively in North America through ***PREVIEWS***, this bust depicts Smith's Doctor in his favorite tweed jacket, his striped dress shirt, bracers, and his trademark red bowtie. 392 CAPTAIN AMERICA MAKES MUSIC WITH TWO NEW GUITARS

Whether you're just learning to play the guitar or you're an experienced virtuoso, the new line of Marvel Comics guitars from Peavey Electronics will bring a touch of superheroic class to your next music lesson, practice session, or gig. For those starting out, Peavey's *Captain America Junior Acoustic Guitar* is the perfect instrument to learn with, while more advanced players will like the sound from the high-end *Captain America Predator Plus EXP Electric Guitar*. Both come decorated with art of Marvel Comics' Captain America on the guitar body, making these instruments a unique collectible as well!

382 MEDICOM BRINGS THE CHARACTERS OF HALLOWEEN TOWN TO LIFE

Over fifteen years ago Tim Burton introduced film audiences to the magical world of Halloween Town, a place where the ghosts and goblins and ghouls of Halloween plan each year's scares, in his beloved stop-motion animated movie, *The Nightmare Before Christmas*. Medicom recreates the fan-favorite characters, from Jack Skellington and the Mayor to Santa Claus and the Oogie-Boogie Monster, as 2" tall Kubrick figures with their *Nightmare Before Christmas 10-Piece Deluxe Kubrick Box Set*. This unique set will thrill anyone who loves the movie, making it the ultimate gift for Burton's legions of fans!

Kull slew a bloody-handed king to free Valusia from his tyranny, but that act turned out to be the easiest of Kull's reign. King slaying is something of a sport for the upper crust of the jealous Valusian nobility, who have designs of their own for Kull. His sovereignty is threatened from without as well; evil mages, eldritch spirits, plague, and serpent-men would see Kull to an early grave. Uncut and uncensored, the infamous pre-code *Crime Does Not Pay* comics are finally collected into a series of archival hardcovers! With brutal, realistic tales focusing on vile criminals, *Crime Does Not Pay* was one of the most popular comics of the 1940s. The series was a favorite target of Dr. Fredric Wertham and other censors and is partially responsible for the creation of the stifling Comics Code Authority. Now revered and mythic, this collection of the first four hard-to-find *Crime Does Not Pay* comics features a fine roster of Golden Age creators and a new introduction by Matt Fraction (*Iron Man*, *Casanova*)!

MARVEL CLASSIC CHARACTER—

FANTASTIC FOUR #3: HUMAN TORCH

On sale Feb 29

5 1/4" tall, limited to 1,000 numbered pieces
Packaged in its own tin box, with a pin-back button and character booklet
$49.95

Appearing in 1961, the Fantastic Four was the first superhero team created by writer/editor Stan Lee and artist and coplotter Jack Kirby. It ushered in the "Marvel Age" of comics and was an immediate success.

The third statuette in this series is Johnny Storm, better known as the Human Torch. Brother to Sue Storm and an original member of the Fantastic Four, the Human Torch is featured in his classic "Flame on!" pose. This ongoing character lineup presents these characters just as they originally appeared, but the statues feature a rougher surface texture, visible seam lines, and other slightly distressed aspects, such as paint-application techniques. Sculpted by Yoe! Studio.

This sweeping, century-spanning graphic novel explores the vivid history of Irish émigrés to New York City via three intertwined tales, from a penniless woman raising a daughter alone in the Five Points slum of 1870, to a struggling young artist drawn to the nascent counterculture of 1960, the year America elected its first Irish-Catholic president.

Written by Eisner Award-nominated writer Derek McCulloch (*Stagger Lee, Pug*), and beautifully illustrated with period detail by Colleen Doran (THE SANDMAN, ORBITER) and color by Jose Villarrubia.

On sale FEBRUARY 1 • 192 pg, B&W, 5.5" x 8", $12.99 US • MATURE READERS

According to underworld legend, the Rat Catcher is a peerless assassin who specializes in silencing mob snitches. There's just one problem – he doesn't exist. At least, not according to the U.S. Marshals who oversee the Witness Protection Program...

Now there's a pile of dead bodies in a burning safe house outside El Paso. The Rat Catcher has finally slipped up, and a washed-up FBI agent has one last chance to hunt him down before he disappears forever. But as the two master manhunters spiral in towards each other in a deadly game of cat-and-mouse, each of them hides a secret from the other – secrets that could destroy them both.

New York Times best-selling author Andy Diggle (THE LOSERS, *Daredevil*) partners with future superstar Victor Ibañez in a tense Vertigo Crime thriller that's unrelenting to the very last twist.

DC DIRECT ADOPTS SHORTER ORDERING WINDOW

Starting in the this Previews catalogue, DC Direct is resoliciting several months worth of items, adapting a shorter ordering window of just four months – the same ordering window as most of DC's hardcovers!

The new, shorter ordering window will allow for closer ties between DC Direct items and events in DC publications, and let DC Direct provide more accurate on-sale dates at solicitation.

To get things started, this Previews resolicits items to arrive in stores in both January and February. Following that, DC Direct will move to the four month solicitation window.

Last year's groundbreaking *Infestation* series, IDW's first-ever event, saw many teams from multiple universes fight off a zombie invasion. Now, an even bigger threat has risen within the growing IDW multiverse: Lovecraftian demons threaten to reach across time and space and destroy everyone everywhere and every*when!* Also featuring *Teenage Mutant Ninja Turtles*, this framing issue presents a threat that perhaps not even TRANSFORMERS, G.I. JOEs, Danger Girl, and others can surmount!

DIRK: I sat down with IDW Editor-in-Chief and Chief Creative Officer Chris Ryall to get the skinny on the sequel even Hollywood couldn't dream up, *Infestation 2*!

DW: How is this Infestation different than last year's event?
CR: Last year's was the first time we'd ever attempted something like this. We've learned a lot, and so this time around, there are more players, a bigger threat, higher stakes–everything you'd want from a good sequel.

DW: I see some new faces this time around, both human and non.
CR: Yep, *Infestation 2* involves Lovecraftian "Old Ones" breaking through the barriers into many universes, affecting not only *TRANSFORMERS* and *G.I. JOE* this time around, but the *Teenage Mutant Ninja Turtles, Danger Girl, 30 Days of Night*, an all-new *Dungeons & Dragons* campaign, *Eberron*, and even to some degree the *Weekly World News* world.

DW: It's not as simple as big tentacled monsters invading these worlds, either, right?
CR: Right: it affects both time and space, which allowed us to find a way to re-visit one of the earliest *TRANSFORMERS* series we did here; the "Hearts of Steel" timeline. We're also involving a brand-new *D&D* campaign, pitting *30 Days* vamps up against a threat that is truly evil, and doing some other big, unique things, as well.

DW: Whose job is it to keep it from all getting too overwhelming?
CR: We've got the perfect guy to handle a big, Lovecraftian event in novelist/comic writer **Duane Swierczynski**; plus *Infestation* artist **David Messina** is back on the main series; **Chuck Dixon** and **Guido Guidi** returning to the "Hearts of Steel" world; *D&D* novelist **Paul Krill** is tackling *Eberron*, and many more (including me).

DW: Cool! So what do we need to know going in?
CR: Really, nothing. We hit the ground running in *Infestation 2* #1, and that gives you all you need to follow along. This crisis is unrelated to the zombies and robots that ran around the last one. We do use our covert vampire squad, *CVO* (stars of the first *Infestation* and the follow-up, *Infestation: Outbreak*) as our entry point to the event, and things take off from there in very unexpected directions. Plus, as part of this event in February, you get a special one-shot that is basically just the *Weekly World News'* Bat Boy and *Groom Lake*'s grey alien Archibald just sitting in a bar and commenting on big event comics like this one. Big, tentacled monsters, inter-company crossing over, and pints of beer, what else does anyone need in a comic-book event?

"Cobra Command," Part One!

The COBRA CIVIL WAR is over but there's no risk of a peace outbreak. A nine-issue epic starts right here! The new COBRA COMMANDER kicks off their reign with total war as they invade a sovereign nation with all the military might under their power. The world is outraged but uncertain of how to retaliate. So the JOEs take to the field to battle a new, more dangerous version of their oldest foe.

What do time-traveling Nazi UFOs, space pigs, and a hot French Resistance babe code-named the French Tickler have in common? They're all about to run head-on into Duke Nukem, and for some of them (the ones that don't look good in bikinis, that is), it's gonna end painfully. Video game legend Duke Nukem tears it up in his first-ever graphic novel! Written by **Tom Waltz** (*Teenage Mutant Ninja Turtles*) and illustrated by **Xermanico**. The King is finally back, baby, and he's bigger and badder than ever!

"DUKE NUKEM: GLORIOUS BASTARDS... IS UNABASHEDLY AGGRESSIVE, VIOLENT, CORNY, HYPERSEXUAL, AND INSENSITIVE. I MEAN, IT'S KIND OF AMAZING."

The epic miniseries collected. Earth, 2020. United States Special Forces Major Laurence "Prophet" Barnes barely survived his encounter with the Ceph, a hostile alien race woken from eons of sleep on the island of Lingshan by a team of U.S. archaeologists. Half his men have been torn apart by the aliens, and the U.S. Marine force sent in to rescue them has been driven back. Now, Prophet must take the vital data he's gained about the Ceph, regroup the surviving members of his team and get them all safely off Lingshan before it's too late—for them and for the whole human race.

Steve Canyon like you've never seen it before–reproduced directly from **Milton Caniff**'s personal set of syndicate proofs! For the first time: the definitive edition of the Steve Canyon newspaper strip by Milton Caniff featuring every Sunday in color and the daily strips in their original, uncropped versions.

Caniff quit *Terry and the Pirates* in 1946 to begin *Steve Canyon* and it became his biggest-selling work. Forever known as the Rembrandt of the Comic Strip, Caniff is at the absolute peak of his artistic prowess in these strips. Your passport is stamped for Adventure, Intrigue, and Danger on your expedition to exotic locales with your pilot, the one and only Steve Canyon! The Caniff women are also on display, as *Steve Canyon Volume 1* features steely yet sexy "Copper" Calhoun; the beautiful schemer, Delta; that modern-day Mata Hari, Madame Lynx; Dr. Deen Wilderness, who is as capable as she is lovely; plus Captain Shark, Convoy, and the footloose Fancy.

Edited and designed by **Dean Mullaney**, with historical essays by **Bruce Canwell**, *Steve Canyon* is presented in a matching hardcover set to the Library of American Comics's Eisner Award-winning *Terry and the Pirates*. Everyone who enjoyed Terry won't want to miss this sequel in which the horizons are truly unlimited!

HEY, EVERYBODY, EDITOR JUSTIN EISINGER HERE... AND WHEN I'M NOT BUSY EDITING JUST ABOUT EVERY COLLECTION WE PUT OUT, I GET TO WORK WITH DEAN MULLANEY ON THE FANTASTIC LIBRARY OF AMERICAN COMICS LINE... AND THIS MONTH, WE'VE GOT A BIG ONE.
AT LONG LAST, THE DEFINITIVE COLLECTION OF STEVE CANYON! REPRODUCED DIRECTLY FROM MILTON CANIFF'S PERSONAL SET OF PROOFS!

MARK TWAIN'S TALES OF MYSTERY

Certified Cool

Sherlock Holmes in America? **Mark Twain** a character in his own stories? Can it be true? True indeed, dear reader, as Mark Twain makes his mark on the mystery genre with this collection of short stories by the grand master himself. Including "A Double Barreled Detective Story," "Tom Sawyer, Detective," "A Murder, a Mystery, and a Marriage," and "The Stolen White Elephant," delight as Twain breaks convention and bends cherished characters to tell stories that are wholly his own. 70 years ago, the world began its race to create the first Super Soldier. In 2011, the United States succeeded... twice. Project Red Spike discovered that through the manipulation and regulation of the adrenal glands the super soldier was no longer just a dream. Matt Cutler and Greg Dane, the first to survive the process, have been proven on the field to be everything that was wanting in the program. Unfortunately, an upgrade to Greg's implant goes array and now it's up to Matt to chase down his friend before he hurts himself, the city and the tax payers who funded their creation. But as the friends begin their very public battle in heart of Washington D.C., twisted and sinister secrets begin to emerge from within the Red Spike program. Can both soldiers survive or are their deaths a necessary measure to secure the program's secrecy?

MY FRIEND DAHMER

ABRAMS COMICARTS

MY FRIEND DAHMER GN

(W/A/CA) Derf Backderf

You only *think* you know this story. We all have that one friend we grew up with — the strange kid, the class freak, the one whose antics amused and entertained, maybe even alarmed us. That friend is invariably left behind when we become adults, faded into memory and filed away with our yearbooks and other teenage mementos. But every now and then we might wonder whatever happened to that person. For one cartoonist who grew up in the small town of Richfield, Ohio, that question was answered without warning by every media outlet in the world. Derf Backderf tries to make sense of Jeffrey Dahmer, the future serial killer with whom he shared classrooms, hallways, cafeterias, libraries, and car rides. What emerges is a surprisingly sympathetic portrait of a young man struggling helplessly against the ghastly urges bubbling up from the deep recesses of his psyche. (STK455436) (C: 0-1-2)

Amour
The Collected Volume One

AMOUR VOLUME 1 GN
(W) Bart A. Thompson
(A/CA) Ezequiel Pineda
Romance comics have an outdated and cheesy stigma about them, but once they played a large role within comic history. Within the third phase of the Golden Era (1948 to 1954) comic readership was at an all-time high, read by both men and women, and romance comics were one of the five genres that kept comic readership diverse. In an attempt to bring more diversity back to comics, Arcana is proud to present the *Amour* anthology! (STK453473)

(W) J. Torres
(A/CA) Rick Burchett
Archie is proud to present this top-notch new full-color original graphic novel for tween and teen girls created by award-winning writer/artist team J. Torres and Rick Burchett. Feisty tomboy high school freshman Jinx explores the social perils of the high school experience as old friendships change and she struggles with the new expectations attached to becoming a young woman. A new school means new rules, such as no co-ed teams, which means she can't even play ball with the boys who were in little league with her As rules and relationships become more complicated, one thing remains the same: Jinx means bad luck to anyone who gets in the way of her getting her way! This outstanding graphic novel is a bright, full-hearted coming of age story told with great humor, charm and compassion. (STK455639)

PANDEMONIUM GN

Graphix

Written by British fantasy writer Chris Wooding and illustrated by up-and-coming Cassandra Diaz, *Pandemonium* is a fun, comic adventure with a macabre twist. Painted with lush blues and purples, this elaborate fantasy will capture plenty of attention.

Welcome to the Darkling Realm, where closet monsters are housekeepers and an elect few have the gift of magic. Seifer Tombchewer, inaptly named after his grandfather's habit of gnawing on graves, has always wanted to go beyond the mountain confines of his tiny village to see the world. But being coshed on the head and kidnapped by Velvet Spies was not how he imagined leaving!

Seifer awakens at the Royal Palace to learn he looks just like the missing Prince Talon. Now, Seifer must deceive everyone into believing he is this royal or suffer the psycho carnage beasts.

Can Seifer out-burp Cheiftan Snaggleface to upkeep diplomatic relations? Reveal his true feelings to Lady Carcassa Malefica before Prince Talon's fiancée Lady Asphyxia appears? Find the missing prince before he must take on the role of Lord Defender of the Realm and lead the troops to battle? And more importantly, why does Seifer look exactly like the missing prince?

NEIL GN

(W/A/CA) Jon Ascher

For Neil, finding the meaning of life just might cost the ultimate price! Neil, our anti-hero, sifts through the maelstrom of his troubled life, looking for meaning in this modern-day fable, a black "dramedy." His life is full of high jinks, love and loss. Mostly loss. As Neil feels increasingly taunted by his own life and surrounding environment, is he going mad? Or is someone, or something, out to get him? As his world starts to unravel, Neil unwittingly finds himself in the drivers' seat of his own storybook, and he must choose how to end it! (STK456153)

FERALS #1

Avatar Press

Good horror is hard to find. It's rare that a series comes out that strikes the right balance between gore, suspense, and real character drama; after all, not every horror comic can be *The Walking Dead*. Thus, it's become increasingly difficult to navigate the current landscape of horror comics and hunt for the true gems of the genre. This January, Avatar Press delivers a true horror gem with their new ongoing series *Ferals*.

Written by David Lapham, *Ferals #1* delivers all the ingredients needed for a true horror classic. The first issue introduces a compelling cast of characters that inhabit a small town that's recently seen a series of mysterious killings. While there's plenty of horror and gore throughout the issue, the script shines in the way it introduces each character and develops the mystery killings around them.

Ferals represents a return to Lapham's *Stray Bullet* roots, and the story reads like a synthesis of all of his best work. The character work is compelling and he has a strong grasp of the mythology that surrounds the classic horror monsters he unleashes on the small town of Cypress. This is a new series that's not to be missed.

Spinning out of the epochal events of KIRBY: GENESIS comes the saga of Sigurd Dragonsbane, the greatest champion in all Valhalla. Since time immemorial tales of his adventures have resounded throughout the halls of gods and men alike. But what happens when Sigurd and his colleagues—wise Balduur, rakish Honir, and caustic Heimdall—discover that Valhalla isn't the only mythic realm?... And that all the others are now conjoined into one vast magical landscape? Why, they set out to explore it, of course—and to rescue a princess beset by dragons. But all isn't as it seems in these newly unified Mythlands, and Sigurd's latest exploit could be his last! Based on character concepts and designs by Jack Kirby, Dragonsbane draws back the curtain on the astonishing mythical underpinnings of the Kirby universe.

Cover by ***LUCIO PARRILLO***

The mighty green warrior Tars Tarkas was ready for blood the day he first met John Carter on Barsoom. Make that MORE blood. The epic, "Shell Shock," chronicles the violence and horror that led to that day. Tars Tarkas is jolted out of an existential crisis by the massacre of a Thark egg incubator, and things just get worse from there as he faces mutiny and ... and genocide! Written by Mark Rahner ("Rotten," "Green Hornet" Annual #2).

It's been two months since Lone Ranger and Tonto hit the trails of the old west, looking for injustice. They've found plenty. Now, they come across settlers who have been victimized in a way that stirs memories in John Reid. Loss, vengeance, and redemption as pioneer idealism meets the reality of hard life on the prairie. A stand-alone tale that ties into an epic six part story that will test the mettle of the west's most legendary heroes.

Storm clouds gather over Westeros in the fifth installment of Daniel Abraham's gripping adaptation of George R. R. Martin's fantasy masterpiece A Game of Thrones. A childish game gone horribly wrong pits Arya Stark against Prince Joffrey, with Sansa Stark in the middle. But behind youthful rivalries, cold-blooded political intrigue is at work as Queen Cersei uses all her wiles to blunt the influence of Eddard Stark, the Hand of the King. Meanwhile, Lady Catelyn has journeyed to King's Landing with the blade used in the attempted assassination of her son Bran—evidence that will upset a precarious balance of power. And in Winterfell, a dying Bran takes a mystical journey . . . and faces a fateful choice.

500 years in the future when citizens' thoughts are monitored by a centralized super-computer and crime has all but been eliminated, the mysterious and violent death of an individual is cause for significant alarm. This is whole new terrain for the ill-equipped security forces, especially when what appears to be a homicide investigation leads to evidence that someone's mind is off the grid, raising the tantalizing possibility that absolute security - and the world in general - is not all that it's cracked up to be. Acclaimed writer Marc Guggenheim presents part two of his original series Nowhere Man, where the mystery only deepens and action picks up.

GOLIATH HC

(W/A/CA) Tom Gauld

Goliath of Gath isn't much of a fighter. Given half a choice, he would pick admin work over patrolling in a heartbeat, to say nothing of his distaste for engaging in combat. Nonetheless, at the behest of the king he finds himself issuing a twice-daily challenge to the Israelites. Day after day he reluctantly repeats his speech, and the isolation of this duty gives him the chance to banter with his shield-bearer and reflect on the beauty of his surroundings. This is the story of David and Goliath as seen from Goliath's side of the Valley of Elah. Goliath's battle is simultaneously tragic and bleakly funny, as bureaucracy pervades even this most mythic of figures. (STK456167)

(W/A/CA) Kate Beaton

HARK! A VAGRANT
KATE BEATON

Hark! A Vagrant is an uproarious romp through history and literature seen through the sharp, contemporary lens of *New Yorker* cartoonist and comics sensation Kate Beaton. No era nor tome is left unscathed as Beaton rightly skewers the Western World's revolutionaries, leaders, sycophants, and suffragists while equally honing her wit on the hapless heroes, heroines, and villains of the best-loved fiction. In just four years, Beaton has taken the comics world by storm with her non sequiturs, cheeky comebacks, and irreverent punch lines. (STK450234)

THE KLONDIKE GN

(W/A/CA) Zach Worton

The Klondike gold rush shook the Yukon on the eve of the twentieth century and stands today as the defining era in the taming of North America and especially Canada's Great North. The history of how a handful of colorful characters sparked the largest mobilization of gold seekers in history is brought vividly to life in this debut graphic novel by the cartoonist Zach Worton. Worton draws the reader into an absorbing historical tale of political intrigue and personal adventure, played out amid the free-for-all atmosphere of the Wild West. (STK435041)

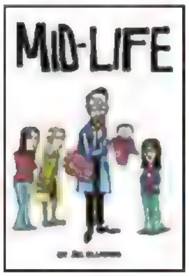
MID-LIFE GN

(W/A/CA) Joe Ollman



Mid-Life is the story of John, who at 40 becomes a father again with his much younger second wife, which results in a slow, painful attack by flowered baby bags and front-facing baby carriers on his former virility and self-identity. John always believed that age is a state of mind; however, his adult daughters, baby son, energetic wife, stressful job, house full of cats, and flabby body — complete with bloated stomach and sagging bosom — all lead John reluctantly to admit that he is having a mid-life crisis. THE SINCEREST FORM OF PARODY: THE BEST 1950s MAD INSPIRED SATIRICAL COMICS

edited by John Benson; introduction by Jay Lynch

$24.99 / SC / 208 pgs / FC / 7.25 x 10.25

When MAD became a hit as a comic book in 1953, other publishers were quick to jump on the bandwagon. For the first time, Fantagraphics collects the best of these comics in a single, outrageously funny volume. With titles such as FLIP, WHACK, NUTS, UNSANE, and BUGHOUSE, and featuring the work of artists such as Jack Davis, Will Elder, Jack Kirby, Dick Ayers, Bill Everett, Al Hartley and Bob Powell, *The Sincerest Form Of Parody* collects over 30 of the best of these crazy stories, all reprinted from the original comics, in full color.

POPEYE VOL. 6: "ME LI'L SWEE'PEA"

by E.C. Segar

$29.99 / HC / 168 pgs / FC / 10.5 x 14.75

It's finally time for collectors to add the last "E" to the P-O-P-E-Y-E spelled out on the spines of Fantagraphics' landmark series. *Popeye* creator E.C. Segar died at the age of 43, leaving behind less than a decade's worth of strips and this sixth and final volume collects not only the last of the dailies but also 62 splendid full-page, full-color Sundays. Additional features include two historical articles by *Popeye* expert Rick Marschall, an illustrated Segar-written biography of Popeye and more rare art and photos.

MYSTERIOUS TRAVELER: THE STEVE DITKO ARCHIVES VOL. 3

by Steve Ditko;
edited by Blake Bell

$39.99 / HC / 224 pgs / FC / 7.25 x 9.5

Five years before his breakthrough as the co-creator of classic super-heroes such as Spider-Man and Doctor Strange, Steve Ditko was turning out some of the best work of his career. *Mysterious Traveler* collects stories from *Tales of the Mysterious Traveler* and *This Magazine Is Haunted* and reprints over 210 full-color pages of Ditko in his early prime. These are thrilling stories of suspense, mystery, haunted houses, and unsuspecting victims that have never been properly reprinted- until now!

HOUND

CRUISIN' WITH THE HOUND: THE LIFE AND TIMES OF FRED TOOTÉ

by Spain Rodriguez

$19.99 / SC / 120 pgs / BW / 7.5 x 10.25

Raunchy, hilarious, and often violent as hell, *Cruisin' With the Hound* is an unsentimental trip to half a century ago — the anti-*Happy Days*, set to a true rock 'n' roll beat. The stories range from Spain's days as an innocent young churchgoer to his time as a member of the Road Vultures motorcycle gang. Rendered in slabs of black and white and featuring Spain's blunt graphic style and uncompromising gift for caricature.

IS THAT ALL THERE IS?

IS THAT ALL THERE IS?

by Joost Swarte;
introduction by Chris Ware
$35.00 | HC | 144 pgs / FC / 8.5 x 11

Fantagraphics proudly presents the first English-language collection of this Dutch master! Joost Swarte revitalized European alternative comics in the 1970s with a series of satirical, elegant and beautifully drawn short stories. *Is That All There Is?* will collect virtually all of his alternative comics work from 1972 with great pains taken to match Swarte's superb coloring. His techniques include watercolor, retro duotones and a fiendishly clever use of Zip-a-Tone screens.

LISTEN, WHITEY!
The Sounds of Black Power 1965-1975

by Pat Thomas
$39.99 / HC | 224 pgs / FC / 10 x 10

With 90,000 words of text, accompanied by over 250 full-color reproductions of album covers and 45 rpm singles, *Listen, Whitey!* chronicles the images and sounds of the Black Power movement which galvanized black America and struck fear into the heart of the white establishment in the late '60s and early '70s. The work of activists and artists such as Huey Newton, Nina Simone, the Last Poets and many others are examined along with the musical connections between the Black Power movement and Bob Dylan, John Lennon and the Partridge Family (!?!).

ISSUE 6 • JANUARY 2012

San Francisco's mayoral election is over, and Kyle Shane, a corrupt official in league with the Russian mafia, has emerged the victor. Still reeling from recent events, Lieutenant Jack Cassidy tracks Isaac Lordsman, a vigilante taking his ideas of justice to dangerous extremes, aboard the heavily guarded superyacht serving as the site of the newly elected mayor's celebration. Loyalties shift and havoc breaks loose as *Damaged* rushes toward its explosive conclusion. When violent extremism collides with a corrupt system, which will prevail?

SEX PISTOLS: THE GRAPHIC NOVEL GN

(W) Jim McCarthy (A/CA) Steve Parkhouse

England's original punks explode from the pages with the same disrespect for authority that had the British establishment up in arms during the Queen's 25th anniversary jubilee. And no one would have enjoyed this take on the Sex Pistols more than the tale's real casualty, Sid Vicious, who devoured comics almost as much as he did the destructive stuff. Thanks to Steve Parkhouse's wonderfully vivid illustrations and Jim McCarthy's clever distillation of the script that rewrote rock 'n' roll and much else besides, the Pistols' story returns to the rough and tumble of the comic strip from which it derived so much of its initial inspiration. TEZUKA'S DORORO COMPLETE EDITION TP

(W/A/CA) Osamu Tezuka

Dororo's unique story, set in a swashbuckling environment, made it a shoe-in for live action film adaptation, and its potential for providing such story content in the U.S. is only natural. This action filled tale of vengeance revolves as much around an Oedipal urge to punish the abandoning father as it does around the characters' confrontations with ghosts and monsters. ILLUSTRATORS IN & OUT: WHAT MOVES THEM AND HOW THEY MOVE ART SC

(W) Youjia Nie (A) Catalina Estrada & Various

Colorful and intimate, *Illustrators In & Out* examines the interplay between illustration and commerce and the necessary tactics an illustrator must master in order to achieve commercial success. Profiling internationally acclaimed artists such as Jon Burgerman, Keiichi Tanaami, Catalina Estrada, and Lotie, this title takes a personal look at the "In" — defined as the artist's inner creativity, and the "Out" — the value of illustration as a commodity within the global marketplace. More than just a collection of illustrations, it aims to be a guidebook for artists and designers who wish to make a financially viable career out of their artwork. (STK455566) (C: 0-1-2)

A COLLECTOR'S GUIDE TO ZORRO FROM THE '50S TO '60S SC (SECOND EDITION)

(W) Rochelle Dubrow

Fifty years ago, Walt Disney used his magic touch to bring Zorro to the small screen. The innovative advertising campaign — including a massive amount of merchandise — not only helped popularize the show, but helped make it an instant success. Today, these once worshipped costumes, books, clothing, toys, photos, and advertising pieces have once again found favor in the hearts of collectors. The new edition of *A Guide to Zorro Collectibles from the Fifties and Sixties* includes a closer look at the television show and its merchandising and advertising. This edition also provides an updated pricing guide for the various products merchandised by Disney. (W) Jonathan Maberry & Various (A) Darren Bader & Various

Just in time for the 100th anniversary of the publication of Edgar Rice Burroughs' original Barsoom novel, *A Princess of Mars*, comes this anthology of original stories featuring John Carter of Mars in brand-new adventures. Collected by veteran anthology editor John Joseph Adams, this volume features stories from titans of literature such as Peter S. Beagle, Joe R. Lansdale, and Garth Nix, and original art from Mark Zug, Michael Kaluta, Charles Vess, and many more — plus an introduction by Tamora Pierce and a glossary of Mars by Richard A. Lupoff. FRANK READE: ADVENTURES IN THE AGE OF INVENTION HC

(W) Paul Guinan, Anina Bennett
(A) Paul Guinan

In this meticulously researched and fantastically pictorialized volume, Frank Reade and his peerless progeny are brought to life in all their globetrotting escapades with amazing electric airships, submarines, and robots, as well as historical figures like Houdini and Geronimo. Frank Reade did exist, but only in the pages of 19th-century dime novels. While the authors have completely re-imagined and enriched those tales into a family biography, they have also restored the incredible original engravings — most of which haven't been seen in print in more than a century — and now present these lost pieces of Americana alongside their own creatively realized imagery. Part science fiction and part alternate history, *Frank Reade* is equally as imaginative as the authors' previous epic volume, *Boilerplate*, and presents an even more rollicking narrative. O/A BOILERPLATE: HISTORY'S MECHANICAL MARVEL HC

(W) Paul Guinan
Meet *Boilerplate*, the world's first robot soldier, built during one of the most fascinating periods of U.S. history. Designed by Professor Archibald Campion in 1893 as a prototype for the self-proclaimed purpose of "preventing the deaths of men in the conflicts of nations," Boilerplate charged into combat alongside such notables as Teddy Roosevelt and Lawrence of Arabia. Campion and his robot also circled the planet with the U.S. Navy, trekked to the South Pole, made silent movies, and hobnobbed with the likes of Mark Twain and Nikola Tesla. (STK401215)

FICTION - YOUNG READERS

ARCHVILLAIN #1 MMPB

(W) Barry Lyga (CA) Andrew Trabbold
Kyle Camden knows exactly where he was the night Mighty Mike arrived: sneaking around the fallow field behind Bouring Middle School, preparing one of his most ingenious pranks yet. Which is why he couldn't tell anyone *where* he was... or *what* he saw. Those lights everyone saw in the sky weren't tiny meteors burning up in the atmosphere; They were some kind of strange, supercooled plasma that bathed the entire field — including Kyle — in alien energies. Unfortunately, the energies also brought Mighty Mike to Earth. Kyle is the only one who knows that Mighty Mike is an alien. Everyone else thinks that Mike is just some kid who stumbled into the field, got beefed up on meteor juice, lost his memory, and decided to start rescuing kittens from trees. But Kyle knows the truth. And he'll do anything in his power to stop Mighty Mike, even it means becoming an *Archvillain*! ARCHVILLAIN #2: THE MAD MASK

(W) Barry Lyga (CA) Andrew Trabbold
Things haven't been going well for Kyle since Mighty Mike became the new town hero. He's pretty sure he could fix this disaster if he could expose Mike's secret (he's an alien), but to do that Kyle would have to admit he is the Azure Avenger — the unintentional town archvillain. One night a new masked hero, aptly named the "Mad Mask", arrives, boasting to the Azure Avenger of an off-the-charts IQ and superior superpowers. Yet the Mad Mask has come seeking intellectual assistance in building Ultitron (the robot of all robots). In exchange he offers to allow the Azure Avenger to use the awesome Ultitron to rid the world, or at least Bouring, of Mighty Mike. Forging alliances isn't usually Kyle's style, but it seems he has no choice. While Kyle agrees to help, he also has another plan: finding out who the Mad Mask is and how he got his powers. Because the last thing the Azure Avenger needs is another mindless archvillain hanging around town! Available in Softcover and Hardcover editions. DIABLO III: BOOK OF CAIN HC

In Blizzard Entertainment's *Diablo* and *Diablo II*, Deckard Cain delivered quests, accompanied the brave adventurer and, as the last of the Horadrim, provided a link to the greater history of the world of Sanctuary. Ever mysterious during these appearances, Cain hinted at a larger story, providing snippets of it in his notebook. Designed as an "in-world" artifact from the *Diablo* universe, *Diablo III: Book of Cain* includes Cain's revealing meditations, as well as dozens of sketches and color artworks depicting the angelic and demonic beings who wage constant war with one another. ESCAPE: HOW ANIMATION BROKE INTO THE MAINSTREAM IN THE 1990S SC

(W) G. Michael Dobbs

Nowadays it doesn't seem so that people from 20 to 60 quote Bugs Bunny, collect animation art or look forward to a new animated DVD chock full of extras. Growing up in the 1950s and '60s, cartoons were definitely kid's stuff. But by the late 1980s the status of animation had begun to change. Today, there's nothing wrong with adults decorating their work cubicle with Loony Tune action figures or a Betty Boop figurine. Michael Dobbs, who's written for *Animato* and *Animation Planet* magazines, examines how animation went from being perceived as a throwaway medium aimed at kids to a commercial artform for both adults and children. How did this change take place? How did an adult fan base for animation emerge? This book, chock full of interviews and photos, examines the change in the animation industry. KEVIN SMITH: TOUGH SH#T—LIFE ADVICE FROM A FAT LAZY SLOB WHO DID GOOD HC

(W) Kevin Smith
Take one look at Kevin Smith: He's a balding fatty who wears a size XXL hockey jersey, shorts, and slippers year-round. Not a likely source for life advice. But take a second look at Kevin Smith: He changed filmmaking forever when he was twenty-four with the release of Clerks, and since then has gone on to make nine more profitable movies, runs his own production company, wrote a bestselling graphic novel, and has a beautiful wife and kids. So he must be doing *something* right. As Smith's millions of Twitter followers and millions of podcast listeners know, he's the first one to admit his flaws and the last one to care about them. In early 2011, he began using his platform to answer big questions from fans, like "What should I do with my life?", and he discovered that he had a *lot* to say. *Tough Sh*t* distills his four decades of breaking all the rules down to direct and brutally honest advice. For anyone who's out of a job, out of luck, or just out of sugary snack foods, *Tough Sh*t* is an unabashedly honest guide to getting the most out of doing the least. (STK455866) (C: 0 1 1)

(W) Ivan Brunetti (A) Daniel Clowes & Various (CA) Daniel Clowes

Originally offered at 28.00

Comic art is a vital, highly personal art form in which change — rapid and unpredictable — is the norm. In this exciting new anthology, comic artist Ivan Brunetti focuses on very recent works by contemporary artists engaged in this world of change. These outstanding cartoonists, selected by Brunetti for their graphic sophistication and literary style, are both expanding and transforming the vocabulary of their genre, and Brunetti arranges the book to reflect the creative process itself, connecting stories and art to each other in surprising ways, weaving themes and motifs throughout the volume. CAPTAIN AMERICA
MARVEL
KOTOBUKIYA

CAPTAIN AMERICA

Created in 1941 by Joe Simon and Jack Kirby to represent opposition to Nazi Germany, **CAPTAIN AMERICA** combined superhero stories with patriotism and the fight against oppression in the world. Captain America stands tall as a symbol of freedom and democracy, ever vigilant in the face of opposition. Captain America makes for a truly imposing and heroic image, and it's made even better by offering you a choice in how you want to display him. Included with the statue are two heads so your Cap can wear his cowl or go bare-headed as Steve Rogers!

The classic Captain America stands a stately 15 inches tall (1/6 scale). His rocky terrain base matches those on the other Classic Avengers, the previously released Thor and the upcoming Iron Man! Collect your classic Avengers team just in time for the new film.

UNKL: HASMAPO 6-INCH VINYL FIGURES

Jason "The Grappler" Bacon and Derek "Big Tex" Welch have been creating original characters, stories, and toys for longer than they can remember. After numerous collaborations together, they eventually formed UNKL in 2003 to make it official. With multiple characters in development, only time will limit the extent of UNKL's offerings. Developed during the Cold War, the 6" HazMaPo Series D1 was intended to function as small but deadly assassins. Their primary mission: to protect us at all costs. Although each character has individual interests and characteristics, their mission is a unified one. Sure, the Cold War, but they don't know that yet. Each is limited to 500 pieces. (STK455456) Scheduled to ship in January 2012. (4522) (C: 1-1-3) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

MARVEL COMICS CAPTAIN AMERICA CLASSIC COSTUME FINE ART STATUE

Created in 1941 by Joe Simon and Jack Kirby to represent opposition to Nazi Germany, **CAPTAIN AMERICA** combined superhero stories with patriotism and the fight against oppression in the world. Captain America stands tall as a symbol of freedom and democracy, ever vigilant in the face of opposition. Captain America makes for a truly imposing and heroic image, and it's made even better by offering you a choice in how you want to display him. Included with the statue are two heads so your Cap can wear his cowl or go bare-headed as Steve Rogers! The classic Captain America stands a stately 15 inches tall (1/6 scale). His rocky terrain base matches those on the other Classic Avengers, the previously released Thor and the upcoming Iron Man! Collect your classic Avengers team just in time for the new film.

O/A STAR WARS: DARTH VADER "FINAL BATTLE VERSION" ARTFX STATUE

A KOTOBUKIYA Japanese import! Kotobukiya's amazing line of *Star Wars* ARTFX Statues brings the heroes and villains of the *Star Wars* universe to life in a dynamic 1/7-scale. Darth Vader wields his crimson lightsaber in mortal combat against anyone foolhardy enough to challenge the might of the Galactic Empire. His classic armored suit features intricate sculpting to bring out the different parts of his chest piece and belt module, while Vader's long cape flows around him in the heat of battle. With his knees bent and weapon extended in his right hand, Vader is ready for anything, even upstart Jedi Knights. Darth Vader stands 11" tall (1/7th scale) atop an exclusive Death Star panel display base. (STK443408) **Available Now!** (6600/SW61) (C: 1-1-4) **NOTE:** Available only in the United States, U.S. Territories, Canada, and Mexico.

WAR OF THE RING
MIDDLE-EARTH

LORD OF THE RINGS:
WAR OF THE RING BOARD GAME SECOND EDITION
The *War of the Ring* is a grand strategy board game that allows its players to immerse themselves in the world of J.R.R. Tolkien's *The Lord of the Rings* and experience its epic action, dramatic conflict, and memorable characters. As the Free Peoples player you command the proud hosts of the most important kingdoms of the Third Age. From the horse-lords of Rohan to the soldiers of Gondor and the Elven lords of Rivendell, you lead the defense of the last free realms of Middle-Earth. Face the evil minions of Sauron on the field of battle in a desperate attempt to delay their onslaught, while you lead the Fellowship of the Ring in the Quest for Mount Doom. As the Shadow player you lead the hordes of the Dark Lord and his most powerful minions as they try to bring darkness to the world. Legions of Orcs, Trolls, Wolfriders and the dreadful Ringwraiths await your command. Hunt the Ring-bearer and bring the precious Ring to his Master, or crush your enemies with your unstoppable armies. This is your chance to forge the destiny of an age! (STK456498) (C: 0-1-2)

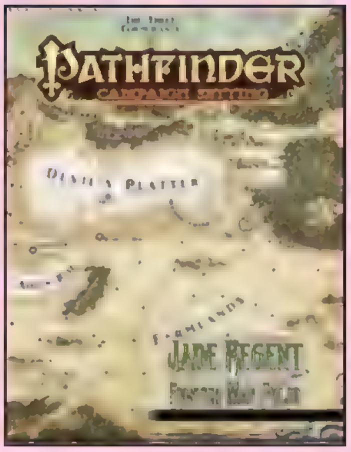
PATHFINDER CAMPAIGN SETTING: THE JADE REGENT POSTER MAP FOLIO



Who would be so foolish as to travel from one end of the world to the other without a trusty map to lead the way? With this map folio, you'll find three invaluable maps for running the *Jade Regent Adventure Path* — yet these maps can serve any campaign that heads beyond the borders of the Inner Sea into the northern continent known as the Crown of the World or the vast continent of Tian Xia, the so-called Dragon Empires. Within this map folio, you'll find three, huge, 8-panel poster maps: one of the city of Kassai (the capital city of the empire of Minkai), one of the frozen reaches of the Crown of the World, and one of the entire continent of Tian Xia, from the chill steppes of Hongal to the north to the trackless monster-infested Valashmai Jungle far to the south. Even if you aren't running the *Jade Regent* Adventure Path, the maps inside reveal for the first time two more of Golarion's continents — realms filled with countless opportunities for exotic new adventure! HIMAWARI & HIMAWARI TOO!: THE COLLECTION DVD

Get ready for another wild and very untraditional trip down the Way of the Ninja as student *kunoichi* (female ninja) Himawari and her fellow ninjettes return for another set of insane lessons in *Himawari Too!* Of course, Himawari's a little older now, a little more experienced, so she'll be doing some "teaching" of her own this time around. But she *still* doesn't know what the connection between her teacher Hayato and the ninja who saved her life is! Himawari won't have much time to think on it, unfortunately, in between fighting alien menaces, bubblegum maniacs and some very, very bad broccoli! With plots as insane as this, will Himawari ever achieve her goal? Also available is the first season of *Himawari* in a complete set! (STK455469) (C: 0-1-3)

MODERN MAGIC MADE SIMPLE COMP COLL DVD

Life hasn't been fair to Koyomi Morishita. Even though she's in high school, she's so short that everyone assumes she's still in grade school. The boys and girls in her school tease her mercilessly, and she's not exactly graceful either. On the other hand, she's still better off than Yumiko, who has a magician trying to kill her. Or at least Koyomi *was* until their paths crossed! Fortunately, salvation arrives in the form of master mage and graduate student Misa Anehara, who agrees to take Koyomi under her wing in learning the new style of magic. But if it was easy, it wouldn't be magic, would it? (STK455468) (C: 0-1-3)

Old Changi Hospital in Singapore is one of the most notoriously haunted places in the world. During World War II, Japanese forces invaded Singapore and the beaches of Changi were soaked in the blood beheaded civilians and prisoners of war The Japanese military took the original Changi buildings and made it their headquarters. In the 1950's the former military barracks were turned into a public hospital. A perpetual portal for life and death, the premises was proclaimed haunted by the public throughout the years. In January of 2010, a group of local filmmakers began exploring the famously haunted Old Changi Hospital in Singapore with terrifying and tragic results. This movie pieces together the original Haunted Changi film crew's footage to tell the full story. (STK456248) (C: 0-1-3)

PLANET OF THE APES: THE LONG WAR

BOOM! STUDIOS

This book takes place 1,300 years before the original *Planet of the Apes* movie from 1968, set in a world where after a war humans and apes live in peace and harmony thanks to the one they call Lawgiver. There, some NASA astronauts find themselves on a far future Earth. Now, *Planet of the Apes: The Long War* tells us what came before. The story begins after an assassin comes in with an old weapon from before the ape's time and kills the Lawgiver. This puts the humans and apes in an awkward position with each other since the assassin was human. This is the precursor to the *Planet of the Apes* that we all know. I would recommend picking this graphic novel up and giving it a read because it will clear up questions as how the humans and apes became enemies.

BUNNY IN THE MOON: THE ART OF TARA MCPHERSON VOLUME 3

DARK HORSE COMICS

It's sweet. It's creepy. It's the third hardcover volume of Tara McPherson's art being released by Dark Horse!

I loved the first two, have a copy of each hardcover on my bookshelf in my living room, and will be making room for the third volume around the time this is going to press. McPherson's art is cute, but not cookie cutter — and I love that it's creepy, but not morbid.

Bunny in the Moon isn't being released until January, which means it misses the boat for Christmas shopping, but will make the perfect Valentine's gift for the art lover or McPherson fan in your life.

THE SILENCE OF OUR FRIENDS GRAPHIC NOVEL

:01 FIRST SECOND BOOKS

Movies and television tend to glamorize the 60s, be it a weekly look at advertising in *Mad Men* or flying the friendly skies on *Pan Am*. If you grew up in the 60s you remember it as a time of conflict in Vietnam and in the Middle East, and the Civil Rights movement.

Reading *The Silence of Our Friends* written by Mark Long and Jim Demonakos and illustrated by Eisner winning artist Nate Powell brings you to a very real time in the 60s where people were judged by the color of their skin and by their faith. Fortunately there were people who only saw someone as a person, a father, a mother, a son or daughter and spoke up against the ignorance of others.

This book shows the struggle from the viewpoint of what while right it's not always easy and the consequences a decision can have on friendships. This is a graphic novel that will make you uncomfortable when reading it but, it makes you think and wonder about what you would do in the same situation. *The Silence of Our Friends* is sure to be a contender for a number of comic industry awards.

PANDEMONIUM GN

GRAPHIX

Written by British fantasy writer Chris Wooding and illustrated by up-and-coming Cassandra Diaz, *Pandemonium* is a fun, comic adventure with a macabre twist. Painted with lush blues and purples, this elaborate fantasy will capture plenty of attention.

Welcome to the Darkling Realm, where closet monsters are housekeepers and an elect few have the gift of magic. Seifer Tombchewer, inaptly named after his grandfather's habit of gnawing on graves, has always wanted to go beyond the mountain confines of his tiny village to see the world. But being coshed on the head and kidnapped by Velvet Spies was not how he imagined leaving!

Seifer awakens at the Royal Palace to learn he looks just like the missing Prince Talon. Now, Seifer must deceive everyone into believing he is this royal or suffer the psycho carnage beasts.

Can Seifer out-burp Cheiftan Snaggleface to upkeep diplomatic relations? Reveal his true feelings to Lady Carcassa Malefica before Prince Talon's fiancée Lady Asphyxia appears? Find the missing prince before he must take on the role of Lord Defender of the Realm and lead the troops to battle? And more importantly, why does Seifer look exactly like the missing prince?

FERALS #1

AVATAR PRESS

Good horror is hard to find. It's rare that a series comes out that strikes the right balance between gore, suspense, and real character drama; after all, not every horror comic can be *The Walking Dead*. Thus, it's become increasingly difficult to navigate the current landscape of horror comics and hunt for the true gems of the genre. This January, Avatar Press delivers a true horror gem with their new ongoing series *Ferals*.

Written by David Lapham, *Ferals #1* delivers all the ingredients needed for a true horror classic. The first issue introduces a compelling cast of characters that inhabit a small town that's recently seen a series of mysterious killings. While there's plenty of horror and gore throughout the issue, the script shines in the way it introduces each character and develops the mystery killings around them.

Ferals represents a return to Lapham's *Stray Bullet* roots, and the story reads like a synthesis of all of his best work. The character work is compelling and he has a strong grasp of the mythology that surrounds the classic horror monsters he unleashes on the small town of Cypress. This is a new series that's not to be missed.

BETTIE PAGE IN DANGER #1

SHH PRODUCTIONS

SHH Productions is a certain breed of comic book publisher, combining the best parts of "skin mag" and comic book to create a unique hybrid of sequential entertainment not found in many other places.

Bettie Page in Danger marks the next evolution in the publisher's quest to entertain and tantalize, all at the same time. Bettie Page, the infamous girl-next-door and pin-up sensation, will find herself in the midst of a rampant zombie epidemic. This story won't be found in any of Bettie's biographies, but it will be something to behold. With a little wit and charm, Bettie may just make it out of this awkward situation alive... after all, her modeling career depends on it!

Using classic photographs of Miss Page herself, SSH Productions will produce a very unusual story a lot of people would be curious to see. It's a crazy idea... but it may just be crazy enough to work!

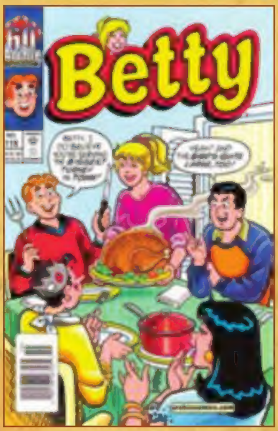
GUEST STARRING THE JLA



Norman Rockwell's iconic Thanksgiving Dinner painting has for years stood as a lasting image of the all that makes Thanksgiving special: Home, Family, and the big meal served to honor the sacrifices and struggles of our nation's earliest "Pilgrim" settlers. So iconic is Rockwell's painting, that comic books have over the years honored it with similarly posed images. But there's a darker side to the Thanksgiving and Comic Books connection… and that dark side is inhabited by one large, flightless, slightly ugly-but-delicious bird: *The Turkey*. Those rat-bastard birds!
